

A documentary that examines the intimate nature of birth and the powerful role it plays in women's lives when they are permitted to experience it.

Orgasmic Birth

The Best Kept Secret

The U K Film Premiere: 'ORGASMIC BIRTH'

Powerful, passionate and thought provoking, with commentary by a dozen pre-eminent health professionals and 11 couples who share their birthing journey, **Orgasmic Birth** dismantles untruths about labour and birth that women have been told for generations. The women in this film are transfigured and transformed with the power of their own bodies.

Debra Pascali-Bonaro, the director of the film, will introduce the screening and be part of a panel discussion afterwards, with leading UK birth educators.
